NAO index 1993-2020

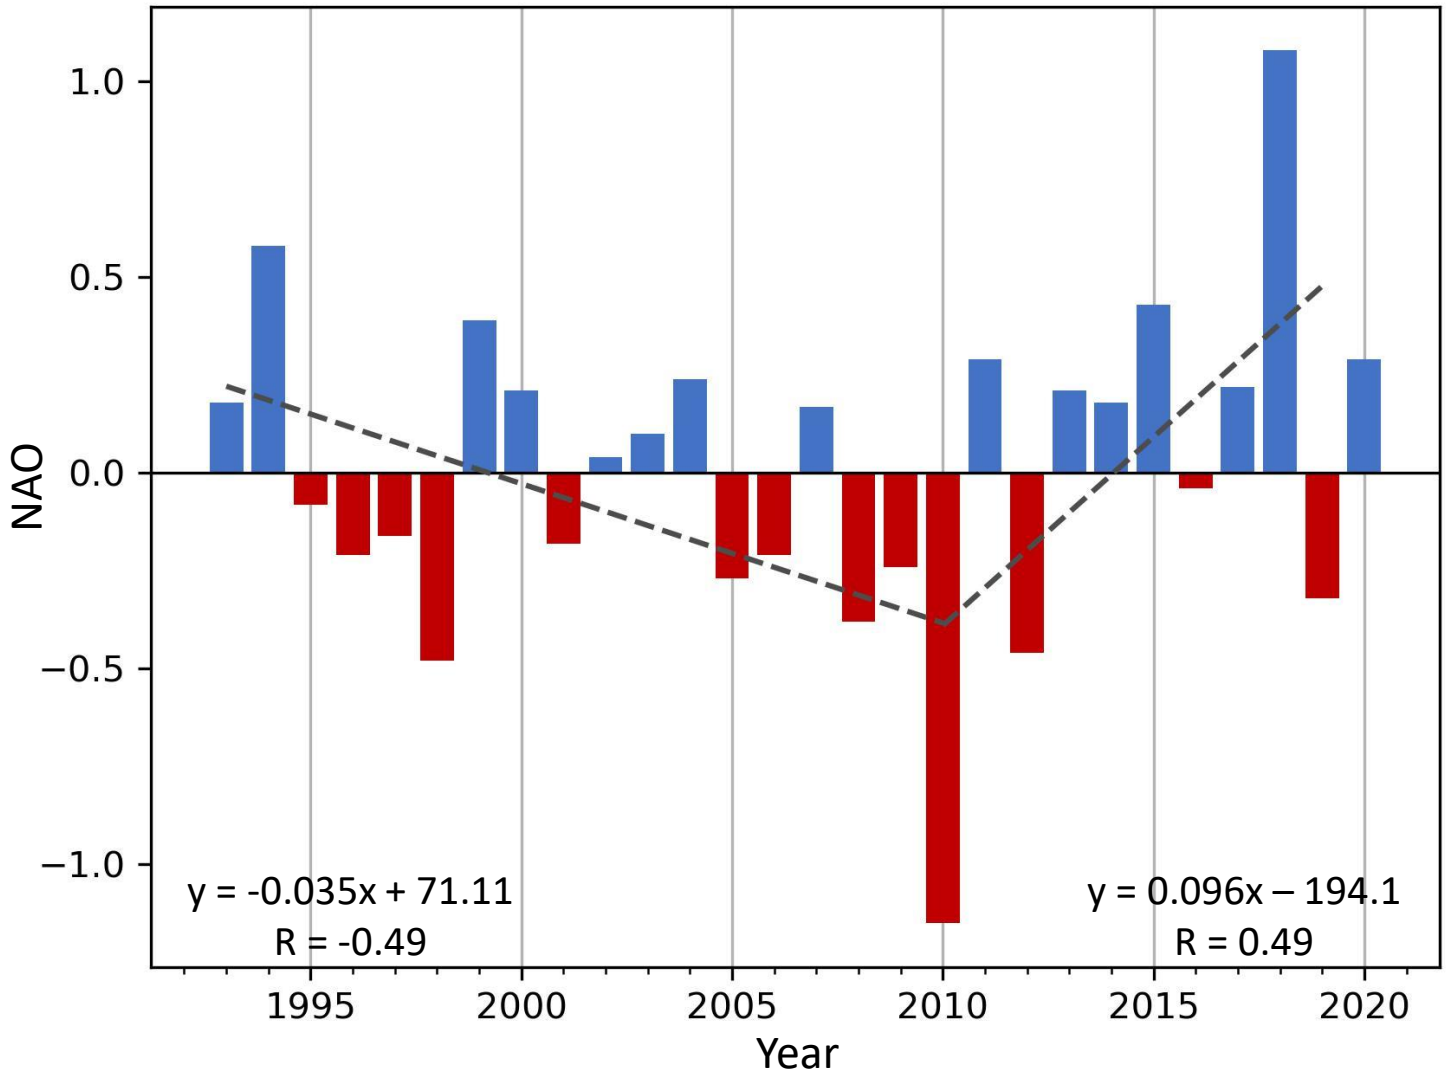

Figure S1: Annual average of North Atlantic Oscillation (NAO) index from 1993 to 2020. Dashed grey lines correspond to the trend line computed in the periods 1993-2010 and 2010-2019. The adjustment parameters for both periods are included at the bottom of the figure (left for period 1993-2010 and right for period 2010-2019).
