

Dear Jean-Pierre

We are really please to hear that you agreed with our changes and that the manuscript is accepted. Thanks a lot for your support and work to improve the quality of our manuscript.

We addressed your two last requests:

> Cyronak is misspelt in the body of the text

*Corrected*

> Please add a citation for the quote by George Box

*We have now added a citation for this quote:*

*Field, Edward. (2015). "All Models Are Wrong, but Some Are Useful". Seismological Research Letters. 86. 291-293. 10.1785/02201401213.*

The corrected version is now uploaded

> Your Figure #1 is an illustration using photographic images. Please check if a copyright statement/image credit is required and add it to the figure caption, if applicable. If you are the originator, you can just inform us via email.

*Regarding the pictures used in Figure 1, I confirm that all the pictures are mine.*

Let us know if you need anything else

Best regards

Sam & Marc
