Dear Kirsten

Thank you for checking our revised manuscript and noticing the repeat text and that a number of the links were not correct. The repeat text has following links have been changed:

Footnote Line 44: Changed GMES&Africa link to https://au.int/GMESAfrica
Footnote Line 46: Added Footnote for MARCNOWA: https://gmes.rmc.africa/
Corrected OCIMS link in footnote line 47: https://ocims.environment.gov.za/

Corrected link on line 298 to https://somisana.ac.za
Corrected the link for the PRIMROSE project on line 553 to: https://pml.ac.uk/projects/primrose-predicting-risk-and-impact-of-harmful-eve/

Kind regards
Jennifer
